28 April 2014

TO: Mayor and City Council

FROM: Commander Eric M. Passarelli

SUBJECT: 2013-2014 First Quarter Accident Comparison

In the first Three (3) months of 2014, as compared to the first three (3) months of the year 2013, there have been 28 more accidents. The total number of accidents for the first three (3) months of 2014 is 263 while the total number for the same period in 2013 was 235. This results in an increase of 12%

**Intersection Related Accidents:**

There were eleven (11) more intersection related accident in the first three (3) months of 2014 as compared to 2013. The total number of intersection related accidents for the first three (3) months of 2014 is 107 while the total number of accidents for that period of time in 2013 was 96. This results in an 11% increase in intersection related accidents.

**Non-Intersection Related Accidents:**

There were 13 more non-intersection related accidents in the first three (3) months of 2014 as compared to 2013. The total number of non-intersection related accidents for the first three (3) months of 2014 is 101 while the total number of accidents for the same period in 2013 was 88. This results in a 15% increase in non-intersection related accidents.

**Parking Lot Accidents/Private Property:**

There were four (4) more parking lot/private property accidents in the first three (3) months of 2014 as compared to 2013. The total number of parking lot/private property accidents for the first three (3) months of 2014 is 55 while the total number for the same period in 2013 was 51. This results in an 8 % increase in private property accidents

Attached you will find exhibits that show the comparisons of intersection related accidents, non-intersection related accidents, and parking lot/private property accidents for the first three (3) months of 2014 as compared to the first three (3) months of 2013.

Eric M Passarelli
Commander, Police Services
