

The City of Geneva and
Allied Waste Services introduce the
New Recycling Cart Program!

Please review the information on the reverse
side to learn about the collection service
choices available starting July 1st, 2008.

Effective July 1st, 2008:

What is changing?

- There will be no program changes to current collection procedures or collection days.

What is the new sticker fee?

- Waste stickers will be \$2.68 each, changing to bright pink in color.

What do I do with old stickers?

- Use the inventory you have before July 1st, 2008. If you do have stickers after that date, contact Allied Waste for more information on exchanging expired stickers.

What is a Cart?

- Carts are larger containers on wheels with a lid attached provided by Allied Waste that can easily be rolled to the curb. Carts may be viewed at the Public Works Department. (Cart photo on front of postcard)

Trash Carts • SAVE by using a 95 gallon trash cart. If you are using two or more waste stickers on a weekly basis for trash, save by using an Allied Waste trash cart for \$19.00 a month. The fee includes rental of the cart, as well as collection and disposal for what you place inside the cart. The cart for trash is equivalent to the use of three waste stickers per week, and carts do not require the attachment of a sticker.

Recycle Carts • 65 Gallon Recycle Carts are now available. If you are placing several bins at the curb each week, consider the use of an Allied Waste Recycle Cart for a \$3.00 monthly fee; they are easy to roll to the curb and have a lid attached to prevent material from being blown around.

Is there a Senior Discount Program?

- A Senior Program for the purchase of blue Allied Waste 18-gallon bags at a cost of \$1.80 per bag is now an option. Bags can be purchased at the Finance Department, 15 S. First Street, or call **630-232-7494** for more information.

Contact Allied Waste Services at 630-892-9294
to order your Trash or Recycling Cart,
or for more information about the City of Geneva's collection program.
