Burning Leaf Café

Jamal Hussein, Owner

The dream started almost 11 years ago when we opened our first store. We carry a large selection of different premium cigars as well as a full line of tobacco. Cigar smoking is a luxury, a luxury that most people can afford. You don't have to buy a \$40 cigar to enjoy the experience, there are three and four dollar cigars that are a real treat. We make sure that every cigar we carry is the best value for the money. So you may select any three dollar cigar, but it will be the best three dollar cigar you'll find on the market. So come in and see our selection and receive a sample.

Front Street Cantina

Nick Roberge, Owner

Front Street Cantina began many years ago as a dream. Two amigos, while frequently traveling throughout the Southwest and Mexico, became the greatest of salsa fans. So much did they enjoy Mexican cuisine, that they dreamed of a restaurant serving the finest, most authentic and flavorful food. The dream is now reality. We are happy to share with you the excitement that was found in this wonderful cuisine. Please join us for a sample of our terrific salsa and chips and receive a discount coupon.
