Dear Resident/Business Owner:

Geneva Construction Company of Aurora, Illinois continued working on the 2015 Street Improvements this week. They are still progressing at a very good pace.

Over The Past Week They Completed:

- 1) All streets except 3 are completely paved. Lexington, Whittington and Woodward will be completed on Monday (8-10-2015).

They are Currently Working on:

- 1) Pavements markings will start tomorrow (Saturday).

Their Tentative Schedule for Next Week:

- 1) Complete all paving.
- 2) Continue with pavement marking.
- 3) Complete restoration (driveways and grass).
- 4) Start cleaning up.

Please water the green areas that were restored and as soon as possible you can start mowing it to control the weed growth.

All information regarding the progress of this project is posted weekly on the City's web site www.geneva.il.us. I can be contacted by email at dmorris@geneva.il.us or by phone at **630-232-1501**.

Thanks for your patience during the time of construction, we are almost at the end now.

Very truly,

Dave Morris
