TO: Mayor Burns  
Geneva City Council Members

FROM: Commander Brian J. Maduzia

SUBJECT: 2015-2016 Accident Comparison (January through September)

In the first nine (9) months of 2016 (January through September), there have been 76 more accidents, as compared to the first nine (9) months of 2015. The total number of accidents from January through September in 2015 was 726 (662 property damage, 63 involving some sort of injury, and one (1) involving a fatality). The total number of accidents from January through September in 2016 was 802 (731 property damage, 70 involving some sort of injury, and one (1) involving a fatality). Based upon these numbers, there has been a 9.5% increase in accidents for the first nine (9) months of 2016.

## **INTERSECTION RELATED ACCIDENTS:**

There have been 98 more intersection related accidents in the first nine (9) months of 2016, as compared to the same period of time in 2015. The total number of intersection related accidents from January through September in 2016 was 371, while the total number of intersection related accidents for the same period of time in 2015 was 273. Based upon these numbers, there has been a 26.5% increase in intersection related accidents for the first nine (9) months of 2016.

## **NON-INTERSECTION RELATED ACCIDENTS:**

There have been seven (7) fewer non-intersection related accidents in the first nine (9) months of 2016, as compared to the same period of time in 2015. The total number of non-intersection related accidents from January through September in 2016 was 258, while the total number of non-intersection related accidents for the same period of time in 2015 was 265. Based upon these numbers, there has been a 2.6% decrease in non-intersection related accidents for the first nine (9) months of 2016.

**PARKING LOT/PRIVATE PROPERTY ACCIDENTS:**

There have been 15 fewer parking lot/private property accidents in the first nine (9) months of 2016, as compared to the same period of time in 2015. The total number of parking lot/private property accidents from January through September in 2016 was 173, while the total number of these types of accidents for the same period of time in 2015 was 188. Based upon these number, there has been an 8% decrease in parking lot/private property accidents for the first nine (9) months of 2016.

Exhibits showing the comparisons of intersection related accidents, non-intersection related accidents, and parking lot/private property accidents is attached to this memo. These exhibits contain accident data for all of 2015 and the first nine (9) months of 2016.

Best regards,
