### PLEASE READ THE FOLLOWING RULES FOR A SAFE PARTY

---

- Rule #1: The City has a noise ordinance that limits the amount of noise in a residential neighborhood to 65 dB's from 7:00 a.m. to 10:00 p.m. and 60 dB's after 10:00 p.m. So be aware of the amount of noise your party is making.
- Rule #2: Alcoholic beverages cannot be consumed while on a City street, sidewalk, alley, parkway or public parking lot within the City of Geneva.
- Rule #3: The street must be open to traffic at 10:00 p.m.
- Rule #4: Nothing must be placed on the street that cannot be moved quickly in case of an emergency (band equipment, large tables, volleyball nets, etc.)
- Rule #5: Be a good neighbor, notify the people within a two block radius of your party. Informed neighbors are less likely to complain.

.....  
As the contact person for this block party, I acknowledge that I have read and understand the rules listed above. I further attest that I will attempt to relay these same rules to the other people who attend this block party. If I have any problems or questions I will contact the Geneva Police Department (232-4736).
