**Budgeted?**

YES [ ]  
NO [x]  

*If NO, please explain how the item will be funded:*

Project costs will be paid in advance by citizen advocacy group.

**Executive Summary:**

At the February 17, 2015 Special COW Meeting, the City Council directed staff to modify the road taper from Fabyan Parkway to Forest View by shifting this taper as far north as possible. This change was to accommodate requests from the industrial/commercial property owners along the west side of Batavia Avenue located south of Forest View Drive. Following that direction, staff received a request from the Hackendahl Property to include this property within the three lane cross section to support possible development of this site. Attached for your consideration is the revision that reflects this request. Staff supports this request as it complies with the City Council direction to include the residential properties within the road diet and retain the existing four lane cross section for the industrial/commercial properties along Batavia Avenue.

**Attachments:** (please list)

- Revised road taper Forest View south to Fabyan Parkway per City Council
- Revised road taper Forest View south to Fabyan Parkway per Hackendahl request
- Resolution 2015-15

**Recommendation / Suggested Action:** (briefly explain)

Respectfully recommend that the City Council authorize the City Administrator to submit to IDOT District I the revised IL 31 Road Diet Feasibility Study for project review and consideration.
RESOLUTION NO. 2015-15
