

City Council Meeting – Jan. 20, 2026 Council Questions & City Staff Responses

Before each City Council meeting, questions that have been posed by the City Council relating to the agenda for that evening will be posted to the City's website. Below are the responses to this week's questions.

Agenda Item 10. Presentation of Ordinances, Resolutions, Other Items

c. Consider Resolution No. 2026-07 Authorizing the Execution of a Professional Services Agreement with CDM Smith for a Secondary Treatment Intensification Study in an Amount Not to Exceed \$69,700.

Q: Is it anticipated that the intensification improvements at the wastewater treatment plant would be a long-term solution for handling the anticipated increase in volume? In other words, this would not be a short-term solution?

A: Correct. The intensification study is to generate a long-term plan well in advance so that we are able to plan and budget appropriately to adequately meet the future needs of our industrial parks.
