

City Council Meeting – July 18, 2022

Council Questions & Staff Responses

Before each Committee of the Whole or City Council meeting, questions that have been posed by the City Council relating to [the agenda](#) for that evening will be posted to the City's website. Below are the responses to this week's questions.

Agenda Item 10. Municipal Bills for Payment

a.) BEC Enterprises, brush mower supplies, \$1,251.70

Q: What is the mower used for, what are the supplies, and how often are they purchased?

A: The brush mower is used to maintain areas throughout the City that do not receive mowing on a regular basis. This particular purchase is a one-time purchase to add a winch system to the mower for easier removal should it become stuck at a mowing site.

b.) Norman Moret, \$6,400

Q: What is this payment for? Why is there not an entry in the description field for this disbursement?

A: This is a reimbursement expense for the lead service line replacement program. This was entered by a different employee than usual, and the lack of a description was an oversight.
