Executive Summary:			
<p>The FY2017-2018 budget includes approved expenditures of \$72,590 for the purchase of two (2) new police department vehicles, plus all of the associated conversion costs. These new squad cars will replace the following vehicles currently in our patrol division, responsible for responding to calls for police service: a 2009 Ford Expedition (supervisor/command vehicle) with over 171,000 miles, and a 2011 Ford Crown Victoria with over 105,600 miles. The 2011 Ford Crown Victoria will rotate out of the patrol fleet and into the administrative fleet, replacing a 2008 Chevrolet Impala with over 130,000 miles. The new Ford Interceptors will be purchased from Morrow Brothers Ford in Greenfield, Illinois, based on the attached State of Illinois Police Pursuit Vehicle Government Pricing form. Morrow Brothers Ford has been the long-standing winner of the State contract for police vehicle purchasing.</p> <p>The 2009 Ford Expedition and the 2008 Chevrolet Impala will be declared surplus property. Both vehicles will be sold, with the proceeds from the sales to be returned to the City's General Fund.</p>
