Executive Summary:			
<p>The Fiscal Year 2017-18 Budget includes the replacement of a 6 inch pump used primarily during rain events to reduce sanitary sewer flooding. Staff is using the National Joint Powers Alliance which Geneva is a member of for the purchase of this pump. Thompson Pump was awarded as the low bidder that met the specifications through the NJPA. The City of Geneva Water and Sewer Department currently has three Thompson Pumps and have been very satisfied with their performance.</p>
