Executive Summary:			
<p>The 2017-18 capital budget includes funds to purchase a new Tandem Axle dump truck for the water department replacing the current G-44. G-44 is a 2004 International dump truck which will be transferred to the Wastewater Treatment Plant and replace G-51 which is a 1998 International Dump Truck with severe rust on the body and needing a hydraulic system overhaul. Staff has received pricing of a cab and chassis from Rush Truck Center through the state contract. After meeting all of the specifications required the price of the cab and chassis is \$88,959.00.</p> <p>Staff has purchased trucks through Rush Truck Center on numerous occasions and has been very pleased with the quality of the trucks received.</p>
