Executive Summary:			
<p>The FY 2022 Restricted Police Fines Fund includes budgeted funds for the purchase of two police vehicles. The vehicles will replace existing cars used by Detectives in the Investigations Division. Squad 37 is a 2008 Chevrolet Impala with over 123,000 miles. Squad 39 is a 2011 Ford Crown Victoria with over 91,000 miles. Both the Chevrolet Impala and the Ford Crown Victoria were first assigned to the Patrol Division for use by unformed patrol officers. Vehicles assigned to the Patrol Division see increased engine idle times in excess of what the mileage actually indicates along with near 24-hour use by numerous individuals. The current state bid holder for the Chevrolet Malibu is Miles Chevrolet, Decatur, Illinois. The total cost of the vehicles is \$38,868. The projected cost of removal, transfer and purchase of new equipment from our vehicle installer, Ultra Strobe Communications, is \$2,000.</p> <p>The FY 2022 budget includes approved funds for the purchase of two 2021, Ford Interceptor Police Pursuit Vehicles as a scheduled replacement for Squad 56 and Squad 58, which are both assigned to the Patrol Division. Squad 56 is a 2015 Ford Interceptor Sedan that has over 84,000 miles. Squad 58 is a 2015 Ford Interceptor Sedan with over 97,000 miles. Ford has since discontinued the production of the Interceptor Sedan and only offers the Interceptor SUV. The current bid holder for the Ford Interceptor is Morrow Brothers Ford, Greenfield, Illinois. The total cost of the vehicles is \$74,530. The projected cost of removal, transfer and purchase of new equipment from our vehicle installer, Ultra Strobe Communications, is \$18,538.</p>
