Hence, proposals should be initially submitted on the most complete and favorable terms which offerors are capable of offering to the City.

The City may conduct discussions with any offeror who submits an acceptable or potentially acceptable proposal. Offerors shall be accorded fair and equal treatment with respect to any opportunity for discussion and revision of proposals. All prior negotiations are merged into this Agreement and shall be inadmissible in any enforcement of this Agreement.

No Waiver:

The granting of any payments, and any inspections, reviews, approvals or oral statements by any City representative, or certification by any governmental entity, shall in no way limit Contractor's obligations under this Agreement. Either party's waiver of any breach, or the omission or failure of either party, at any time, to enforce any right reserved to it, or to require strict performance of any provision of this Agreement, shall not be a waiver of any other right to which any party is entitled, and shall not in any way affect, limit, modify or waive that party's right thereafter to enforce or compel strict compliance with every provision hereof. This Agreement may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved by fully authorized representatives of City and Contractor.

Provision of Geneva Municipal Code:

Captions to sections and subsections are for the convenience of the parties, and are not to be considered when construing this Agreement.

The agreements contained herein shall not be construed in favor of or against any party, but shall be construed as if all parties prepared this Agreement.
