<b>Executive Summary:</b>			
<p>The Fiscal Year 2024 budget has funds allocated to replace the 2002 New Holland Skidloader due to its years in service and the number of repairs made to the equipment on an annual basis. City staff utilizes the skidloader for road repairs, snow removal and loading, and site restoration work. Due to the age of the skidloader it is underpowered to run any attachments. The Bobcat skidloader matches the specifications of the previously purchased skidloader and will run all the attachments. Funds for the purchase of this Skidloader will come from the General Equipment Fund, Electric Fund, and Water/Wastewater Funds. Staff proposes to purchase the Bobcat skidloader from Atlas Bobcat in a cost not to exceed \$70,013.00 using the Sourcewell contract.</p>
