Executive Summary:			
<p>Charles Sansone is the owner of 214-218 W. State. The building was constructed in 1915 by Henry Bond Fargo, the owner's great-grandfather and has remained in the family ever since. Fair Game, Town & Country Gardens and City Barber Shop occupy the three first floor retail spaces. The second floor consists of vintage residential apartments that has been vacant for decades with the exception of some temporary office uses a number of years ago. The owner has made recent improvements (2021-2024) totaling approximately \$177,000. These include new roof, boiler/ HVAC and tenant build out for Fair Game (a complete gut and remodel, restoration of the original wood floors and tin ceiling, environmental remediation of lead paint and asbestos removal). Future planned improvements include major restoration of the original brick and stone façade, repair or replacement of second floor windows, replacement of street-level door leading to second floor, replacement of exterior wood staircase and front staircase repairs. A fire alarm system throughout the building is also a necessary improvement. Contractor quotes for these line items are \$206,170 and the necessary future buildouts for unused areas including mechanical systems is estimated to be in excess of \$200,000.</p> <p>With City assistance, the owner will prioritize the restoration of the original brick and stone façade and install a fire alarm. Planned improvements are pending Historic Preservation and building permit review and therefore the scope of work may be subject to change. In keeping with prior determinations for expenditures of American Rescue Plan Act Funds set aside for Historic Preservation and Adaptive Reuse, we recommend a grant award for \$35,424. This amount is 80% of the estimated cost of the planned improvements, which is approximately 10% of the total investment into the Sansone properties to date and estimated for the future.</p>

ECONOMIC DEVELOPMENT INCENTIVE AGREEMENT

By and Between

CITY OF GENEVA AND CHARLES F SANSONE REVOCABLE TRUST

FOR 214-218 W STATE STREET, GENEVA, IL.

This Agreement is entered into this _____ day of _____, 2024, by the City of Geneva Kane County, Illinois, an Illinois Municipal Corporation (hereinafter referred to as the "City" or "corporate authorities"); and Charles F Sansone Revocable Trust (hereinafter referred to as "Owner"). The City and the Owner are collectively referred to as the "Parties."

Pursuant to the provisions of statutes and Government Funds and Plans (as hereinafter defined) and the Illinois Constitution of 1970, and in consideration of the Findings set forth below, the mutual covenants herein contained and other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, the Parties agree as follows:

SECTION I. AUTHORITY

The authority for the Parties to enter into this Agreement is:

A. As a non-home rule unit of government the City's authority is expressly limited by Article VII, Section 7 of the Illinois Constitution of 1970, which provides in part that non-home rule units of government shall only have powers granted to them by law.

B. Accordingly, under Illinois law (65 ILCS 5/8-1-2.5) the corporate authorities may enter into an economic development incentive agreement relating to the making of grants to any other governmental entity or commercial enterprise that are deemed necessary or desirable for the promotion of economic development within the municipality.

C. The Coronavirus State and Local Fiscal Recovery Funds, a part of the federal American Rescue Plan (known as the Government Funds and Plans), delivered funds to local government to support recovery and to ensure that governments have the resources needed to fight the pandemic, support families and businesses, maintain public service and build a strong, resilient

and equitable economy by making investments that support long-term growth and opportunity. In keeping with this goal and the U.S. Department of the Treasury Coronavirus State & Local Fiscal Recovery Funds: Overview of the Final Rule issued in January 2022 and amended in 2023, the City Council of the City of Geneva has determined that a portion of the City of Geneva's American Rescue Plan will be used to support investment in historic downtown Geneva.

SECTION II. FINDINGS

In accordance with the statutory provisions cited above as well as the City Council's intended use of Government Funds and Plans referenced above, the factors of consideration that have resulted in this Agreement are the following:

A. The Owner is the legal owner of certain real property ("Property") located within the boundaries of the City, commonly known as 214-218 W State Street, Geneva, Illinois 60134, and legally described in **Exhibit "A"**. The Property is improved with a two-story brick and block building consisting of approximately 4,710 square feet ("Building"). The Building is located in an established downtown commercial area adjacent to the primary intersection of State (IL RT. 38) and Third Street.

B. The property is identified as a Significant property within the local historic district and as a Contributing property in the Central Geneva Historic District, listed in the National Register of Historic Places.

C. The Building was built in 1915 by Henry Bond Fargo, the OWNER's great-grandfather, and has remained in the family ever since. Henry Bond Fargo served as Mayor of Geneva and as an Illinois State Representative. Fargo was responsible for the development of several significant landmark buildings in downtown Geneva including 214-218 W State St, 220-220 W State St, 306-318 W State Street, and the Geneva Theater Building (315-323 W State St).

D. The three first floor retail spaces of the Building have been occupied by a former drug store, State Street Jewelers and now Fair Game, Town & Country Gardens and City Barber Shop. The second floor of the Building consists of a "vintage" residential apartment buildout that

has been vacant for decades, with the exception some temporary office use a number of years ago.

E. The corporate authorities finds that the Property, as it exists on the date of this Agreement, requires improvements to meet the specifications and occupancy requirements of future users, the Owner has undertaken capital investment and repairs in recent years (2021-2024) as detailed in **Exhibit “B”** and is working to complete additional capital improvements as detailed in the Reimbursable Improvement Cost Budget shown in **Exhibit “C”**.

F. The Parties acknowledge that the Project may require municipal reviews and approvals by the City’s Plan and Zoning Commission, the Historic Preservation Commission and City Council.

G. The Owner is seeking economic assistance from the City in order to complete a major restoration of the original brick and stone façade and the installation of a fire alarm system throughout the building and has demonstrated that without the economic assistance to be given by the City the Project as contemplated by the Reimbursable Improvement Cost Budget would not be economically viable; and

H. The corporate authorities finds that the Owner has demonstrated that if the Project expenditures are made, life safety will be improved and the marketability of the site will be enhanced; and

I. The corporate authorities also finds that Owner is an established and respected landlord of multiple commercial properties in Geneva IL and has provided specific evidence of equity financing for not less than 10% of the total project costs; and

J. The corporate authorities finds that completing the Project requires assistance from the City and it is in the City of Geneva’s best interest to enter into this Agreement in order to have the Property advanced for redevelopment to increase employment opportunities, strengthen the commercial sector and enhance the tax base of the City .

K. Pursuant to the 65 ILCS 5/8-11-20, the City Council of the City has made the

following findings with respect to the Project:

- i. The Project is expected to create or retain job opportunities within the City.
- ii. The Project will serve to further the development of adjacent areas.
- iii. Without this Agreement, the Project would not be possible.
- iv. The Owner meets high standards of creditworthiness and financial strength, as demonstrated by specific evidence of equity financing for not less than 10% of the total project costs.
- v. The Project will strengthen the commercial sector of the City.
- vi. The Project will enhance the tax base of the City.
- vii. This Agreement is made in the best interest of the City.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual promises hereinafter contained, the adequacy and sufficiency of which the parties hereto stipulate the City and the Owner agree as follows:

SECTION III. INCORPORATIONS OF RECITALS. The recitals set forth hereinabove are incorporated herein by reference as substantive provisions of this Agreement.

SECTION IV. INTENT. Subject to the Conditions Precedent set forth in Section V. below, the City is prepared to commit to the incentives under the terms and conditions hereinafter set forth to induce and assist in the Project.
