Date: **02/12/2025**
Re: Replacement of computers across departments citywide

As provided in Geneva's 2025 Fiscal Year Budget, and in the recently adopted 2026 Fiscal Year Budget, Information Technologies staff solicited bids for replacement of computers across departments citywide for both FY 2025 & FY 2026. Bid documents were posted to the City website and sent via email to vendors.

After receiving returned bids and review of proposed bids, it was determined that funding would be available for the purchase of computers. Based on responses from the vendors submitting bids, see below the following total amounts:

Saitech, Inc. - \$126,004.00
 CDWG - \$131,663.74

An unopened bid from Tri-State Camera Exch., Inc. was received late, and thus, disqualified.

This purchase will be funded from the General Capital Projects Fund, as well the Electric & Water Funds.

STAFF RECOMMENDATION: In consideration of the above information and after careful review of the submitted bid proposals, I would request and respectfully recommend that the Geneva City Council approve the purchase of replacement computers from Saitech, Inc. in the amount of \$126,004.00 (\$43,291 for FY 2025 & \$82,713 for FY 2026.)

cc: Stephanie Dawkins, City Administrator
 Ben McCready, Asst. City Administrator, Director of Administrative Services
