INFO LINE

The City's INFO Line provides callers with a range of important information, including City news, events and service program details. All you have to do to stay connected is call 630-232-INFO (4636).

During critical events, such as a significant power outage, severe weather or other emergency incidents, the INFO Line will keep the community in the loop on critical updates.

People needing emergency assistance should hang up and call 911 immediately.

Looking for more information outside the INFO Line? Visit the City's website at www.geneva.il.us, follow us on Facebook & Twitter or call Geneva City Hall at 630-232-7494.

Please note, messages left on the City's INFO Line are not checked on a regular basis.

Thank you for calling the City of Geneva!
