GARDEN SPONSORSHIP FORM

Thank you for your interest in becoming a garden sponsor for this growing season! Each garden is adopted annually by an individual, a family, a group, or business and will be planted and maintained during the year on your behalf. Garden sponsorship provides needed funds to purchase flowers and supplies for the gardens during the year. A sign placed in the garden with your name, family/group name or business name and/or logo will identify you as someone who cares about maintaining the beauty of our city. Please mail in this completed form along with your check for \$250 made payable to Geneva Beautification, 22 S. First St., Geneva, IL 60134.
