

Important Notice: New Illinois Pesticide Application Notification Requirements

City of Geneva residents should be aware of new state regulations regarding pesticide applications on public rights-of-way that took effect Jan. 1, 2025. Under Public Act 103-0976 (The Pesticide Application on Rights-of-Way Notification Act), we are implementing enhanced notification procedures to keep our community informed about pesticide applications.

New Notification Requirements for Public Act 103-0976

As of 2025, the City of Geneva must provide written notice at least 24 hours before any pesticide application to public rights-of-way, including:

- Roadways and road shoulders;
- Sidewalks and walking paths;
- Utility corridors;
- Storm sewers and drainage areas; and
- Other public infrastructure areas
