Windows, Exterior Doors, and Siding Replacement

Revised: 4/20/20

A building permit is required prior to replacing a window, exterior door, or siding. The following are guidelines and comments for obtaining a building permit.

Application and Drawing Procedures:

- An Application for Permit is to be filled out and submitted to the Building Division.
- For general permit application questions for any property within the City of Geneva, please contact the Building Division at 630 262-0280 or pdf@geneva.il.us.
- For any property that is a designated Historic Landmark or located within the Geneva Historic District, approval is required by the Historic Preservation Commission (HPC) prior to obtaining a permit through the Building Division. Please contact Michael Lambert, Preservation Planner, at 630 938-4541 or mlambert@geneva.il.us for more information.
- Mill Creek residents with building permit questions should contact the Kane County Building Division at 630 232-3485 or keriazakosELeas@co.kane.il.us because Mill Creek properties are not under the jurisdiction of the City of Geneva.
- The contractor's name, address, phone number and, if required, their license numbers are to be filled out when submitting the application.
- Permit fee is paid and the permit is issued over the counter unless there are structural changes being made or the property is located in the Historic District. See below for more details.

Fees:

- **Window replacement permit:** \$75.00 to be paid when permit is issued.
- **Door replacement permit:** \$75.00 to be paid when permit is issued.
- **Siding replacement permit:** \$75.00 to be paid when permit is issued.
- We accept cash, check (made payable to the City of Geneva), MC, Visa, Amex, Disc.

Re-inspection fee: During the construction of the project, should any of the required inspections fail, there is a re-inspection charge. The fee is due prior to the next inspection.

- \$75.00 per re-inspection for all types of inspections during construction.
- \$75.00 + \$25.00 for the third inspection if the first two failed.

General Comments:

- A minimum of 24-hour notice is required when scheduling any inspection.
- Address numbers a minimum of five (5) inches tall of contrasting color shall be posted on the home at all times within ten (10) feet of the front door and visible from the street.

Windows:

- Tempered/Safety glass required per IRC R308.
- Egress requirements for existing windows may not be decreased in size.
- If there are any structural changes being made, the permit cannot be issued over the counter. The Application for Permit must be submitted, along with two (2) sets of drawings showing the construction details. The project would be classified as an alteration and the fees would be not be the same as listed in this packet.
- All new windows and doors are required to have a U-Factor (the rate at which a window, or door conducts non-solar heat flow) of 0.30 or lower. (The lower the U-Factor number, the more energy-efficient the windows, doors, or skylights will be.)

- All new skylight windows are required to have a U-Factor of 0.55.
- **The U-Factor stickers are required to be on the glass at final inspection, turned out so that the building inspector can verify from the exterior.**

Doors:

- If there are any structural changes being made, the permit cannot be issued over the counter. The Application for Permit must be submitted, along with two (2) sets of drawings showing the construction details. The project would be classified as an alteration and the fees would be not be the same as listed in this packet.

Siding:

- If there are any structural changes being made, the permit cannot be issued over the counter. The Application for Permit must be submitted, along with two (2) sets of drawings showing the construction details. The project would be classified as an alteration and the fees would be not be the same as listed in this packet.
- House wrap inspection required for new homes and additions.

Inspections – Clarification and Details:

Windows, Exterior Doors, and Siding:

The following is a list of inspections which may be required for your project and the approximate amount of time it will take for the inspection.

- | | |
|------------------------------|--|
| ✓ House wrap (siding) | ½ hour (new homes and additions) |
| ✓ Final | ½ hour (Interior Inspection may be necessary) |

The following are general guidelines and details on the types of inspections that may be required for your project. For further clarification, please call our office and speak with one of our building inspectors.

House wrap:

- ✓ Confirm house wrap is installed per manufacturer's specifications and all seams are sealed.

Final:

- ✓ Confirm address size and placement per city code.
- ✓ Confirm windows, doors and siding are weather tight.

Building Codes:

The following are the Building Codes the City of Geneva has adopted.

- City of Geneva Municipal Code
- 2009 Int'l Building Code w/amendments
- 2015 Int'l Mechanical Code
- 2005 Nat'l Electrical Code
- 2014 State Plumbing Code
- 2015 Int'l Residential Code w/amendments
- 2009 Int'l Fire Code w/amendments
- 2018 Int'l Energy Conservation Code
- 2015 Int'l Swimming Pool and Spa Code (ISPSC) w/amendments
- 2015 Int'l Fuel and Gas Code w/amendments

Homeowner – Contractor Responsibilities:

- It is the responsibility of the homeowner/contractor to schedule the required inspections. The required inspections are indicated on the plan review form, which is attached to your permit and the field copy of drawings. When calling to schedule an inspection, please have the address and permit number available.
- Inspections shall be cancelled a minimum of 24 hours before the scheduled time.
