

CITY OF GENEVA BRUSH PICKUP PROGRAM

April 1 to November 13, 2020

The program provides city-wide pickups each month beginning in April through November. This program is intended for the disposal of limbs/branches that are removed by the property owner for normal maintenance and upkeep, not for lot clearing. The City's contractor **will not** collect material produced by a private company.

COLLECTION MAP SCHEDULE

THESE DATES ARE THE WEEK OF:		
<u>ZONE 1</u>		<u>ZONE 2</u>
April 6		April 13
May 4		May 11
June 1		June 8
July 6	Border streets are included in Zone 1	July 13
August 3		August 10
September 7*		September 14
October 5		October 12
November 2		November 9

Brush/Limbs must be placed on ground in the parkway by **7 a.m. on the Monday** of your scheduled collection week. Please note that your day can vary, so be sure to have all brush out and ready Monday morning. Crews will not return until the next scheduled collection week.

*Holiday observed, crews will begin the following scheduled workday.

How To Prepare Brush/Limbs

- All limbs must be stacked with the cut ends in one direction and facing the curb or edge of pavement - not in the street.
- Limbs/branches cannot exceed 12 inches diameter and 12 feet in length. Stumps cannot exceed 12 inches diameter.
- Do not tie bundles of limbs/branches with rope or wire.
- No foreign materials: construction debris, fence posts, lumber, fencing, and wire will not be collected.
- Grass clippings, annual/perennial flowers, garden waste, root balls, small limbs and twigs will not be collected. These materials must be placed in stickered yard waste paper bags and will be picked up on normal refuse pickup days.**

Severe storms could delay the timeliness of the pickup due to an extremely large volume of material needing to be collected. Every attempt will be made to deploy additional staff and equipment if such delays do develop. For more information, please call the Geneva Public Works Department at 630-232-1501.
