Summary
Great planning leads to great places! Great communities do not occur by chance. They are planned, designed & built through a series of choices & public processes. Whether it's new housing, redevelopment of a historic building, or public space, the City's Community Development Department is up for a challenge. Working at the forefront of change and in partnership with other City Departments, the Community Development team takes on exciting projects that shape the future of Geneva and enhance the qualities that residents, visitors, & businesses enjoy.

Some of the work you'll do...
- Work with developers & residents to turn ideas into reality
- Serve as liaison to the City's Planning & Zoning Commission
- Help implement the City's Comprehensive Plan
- Prepare & present reports to the City Council
- Visit sites throughout the community as part of development and redevelopment review process

We need someone who...
- Has the ability to counsel & advise appointed boards
- Is able to solve problems that Google can't answer
- Possesses a desire to continually learn and grow
- Is ready to take the next step in their career
- Has the patience to hear people out
- Wants to be part of our team!

Compensation
Anticipated Hiring Range $76,129 - $85,000 DOQ, Plus excellent benefits

Application Deadline
Submit your application by 11:00 P.M. Sunday, Feb. 23, 2020

Situated at the heart of the Fox Valley, Geneva is a destination community where residents enjoy an outstanding quality of life thanks to the variety of nearby shopping & entertainment, strong neighborhoods & cultural amenities, & access to the natural environment. The City has a $90 million budget & a team of 150 professionals working to provide the high-quality services residents value. Geneva is governed by an engaged & supportive council that's dedicated to implementing the City's recently adopted strategic plan.
