

SWORN STATEMENT OF JESSIE MCDANIEL IN SUPPORT OF NEW TOWER CONSTRUCTION PURSUANT TO
THE CITY OF GENEVA ZONING ORDINANCE SECTIONS 11-3-12E & 11-3-12A

JESSIE MCDANIEL, being first duly sworn on oath, deposes and says that:

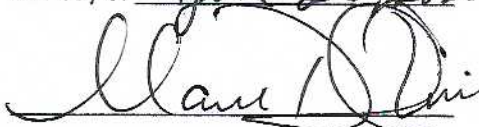

1. I am an adult resident of that State of Illinois and serve as RF Engineer at Verizon Wireless.
2. *My job duties include responsibility over the placement of the mobile service support structure* being proposed by Cellco Partnership ("Verizon Wireless") at the property commonly known as 1749 S. Randall Rd. Geneva, IL 60134 (the "Verizon Wireless Proposal").
3. This sworn statement is made pursuant to the City of Geneva's Zoning Ordinance Section 11-3-12E & 11-3-12A.
4. The Verizon Wireless Proposal is being submitted because collocation within Verizon Wireless' search ring for the area covered by the Verizon Wireless Proposal is infeasible, as no existing structures of any kind currently exist which could be utilized for such collocation.
5. Good faith efforts were made to locate the facility on a permitted use site identified in Section 11-3-12A, or at the highest possible preference location/type identified in subsection 11-3-12E.
